October 16, 2018

To All Members of Local Union No. 280

Brothers and Sisters,

As you are aware the International of Sheet Metal, Air, Rail and Transportation Workers (SMART) every five (5) years holds its General Convention. This is the time when all members have an opportunity to provide suggestions into the amending of our Constitution and Ritual as we move forward over the next five (5) year period.

In advance of the upcoming 2019 SMART General Convention, as President I have formed a Resolution Committee to review the current Constitution and Ritual, as well as suggestions from the Membership on possible changes that will be formed into resolutions.

These resolutions will be presented to the Local Union No 280 Membership to be voted on, at a future Local 280 General Meeting. Those Resolutions that are approved by our Membership will be advanced towards the 2019 General Convention for debate and hopefully to be approved by the Delegates in attendance to form the next Constitution and Ritual.

If you have a suggestion for a Resolution please contact the Union Office at 604-430-3388 or email me at smart280executive@gmail.com.

Fraternally,

Jud Martell
President
