August 19, 2020

Brothers and Sisters,

As we all have been going through many adjustments in our personal and professional lives, due to COVID-19, it is hoped that these changes have helped to keep each of you and your families healthy and safe.

The SMART Local Union No 280 office has remained open and operational throughout these past months to be able to assist the membership when needed, as well to also keep the industry operational.

Given that the Provincial restrictions on gatherings of more than fifty (50) persons and social distancing are still in place, Local 280 has been unable to hold monthly general union meetings since February 2020. The General President has recognized these limitations and for the safety of the membership has permitted local unions to postpone holding these general meetings when it has been necessary. The business of the Local Union has been left with the Executive Board.

Local 280 has taken steps to hold the September 17, 2020 General Meeting using the (ZOOM), virtual format. To facilitate this however, union members register in advance to be able to participate. They will then receive an invitation link, by email, in advance of the ZOOM Union Meeting and would be able to participate online from home on the device used to register.

If you wish to attend the virtual September 17, 2020 General Union Meeting please register in advance using this <http://b.link/8m5z5> link. You must register before September 15, 2020 to be able to participate.

Any questions regarding this virtual ZOOM meeting, please contact SMART Local No 280.

Fraternally,

Jim Paquette
